RE: Determination of Completeness Review Update, New Lease
Addition, Genwal Coal Company, Crandall Canyon Mine,
ACT/015/032, Folder #2, Emery County, Utah

The applicant's submittal, received December 28, 1988, has been reviewed. The applicant has adequately addressed the completeness issue concerning the correct permit lease boundary. Lease U54762 on Plates 2-1 and 3-3 coincide with Plates 2-2 and 3-10. The plan is considered complete, however, Stipulations UMC 817.48-(1-2) - JSL outlined in my December 14, 1988 memorandum remain at this time.
